Old Town Waverly Festival- September 23th and 24th

This packet contains an application to be a craft vendor, festival rules and guidelines, and more information. For the purposes of the Old Town Waverly Festival, craft vendor applications will be reviewed by the festival committee and accepted or rejected, based on the following eligibility requirements:

- A) Craft vendors may exhibit and sell items that they have handmade, hand-built, homegrown, and have unique artistic qualities. These wares should be made by those occupying the booth.
- B) No manufactured or imported products are allowed for sale at the festival. All wares must be made by the exhibitors.
- C) Exhibitors actually displaying and participating in their craft while at the festival will be given a higher priority. For instance, if a vendor is selling paintings and also demonstrates painting, this would be welcomed.
- D) Craft vendors must complete and return a vendor application and \$30 fee by September 8, 2023.
- E) The \$30 booth fee must be returned in the form of a check made out to "Morgan County Parks and Recreation."
- F) Vendors must be able to operate realizing that there is no wifi, water, ice, or change available at the park.
